

An iceberg floating in a light blue sea under a light blue sky with white clouds. The iceberg is divided into two parts by a horizontal line representing the water surface. The top part is a small, white, triangular peak above the water. The bottom part is a much larger, blue, jagged shape below the water. The text is arranged vertically from top to bottom: 'Relational Dysfunction' on the white peak, 'Behaviors', 'Emotions', and 'Thinking' in the upper part of the blue submerged section, and 'Core Beliefs' at the bottom of the submerged section.
